St George

CLUE: In the sky's embrace, where heroes soar, I stand in reverence, forevermore. With wings outstretched, in eternal flight, I honour those who bravely took to the fight.

COLLECT AT: St George Region Explore Centre

Hebel

CLUE: In Hebel's heart, rings of history swirl, I stand as a tribute to its historical twirl. What am I, in this circular embrace? A nod to the past, a marker of grace.

COLLECT AT: Hebel General Store

Thallon

CLUE: In the wilds where the sun beats down, I roll along, a tiny town-bound. Miniature tracks beneath my wheels, past painted silos, my journey seals.

COLLECT AT: Thallon Pub

Nindigully

CLUE: A Hang Ten vibe, bold and bright, a painted figure, a cheerful sight. I bring a smile, full of cheer, a work of art that draws you near.

COLLECT AT: Nindigully Pub

Dirranbandi

CLUE: In waters deep, where colours dance and swirl, A scene unfolds, a fisherman's twirl. With lines cast out and patience held tight, guess the setting that brings this vision to light.

COLLECT AT: Dirranbandi Caravan Park

Bollon

CLUE: I've stood since the 1900s dawn, watching over the town from dusk till morn. A place of law where silence speaks, guarding peace for all who seek.

COLLECT AT: Bollon Service Station

Mungindi

CLUE: From a mangled wreck where metal's fate was sealed, emerges a beauty, its shape revealed. Once part of a BMW in Mungindi's plight, now feathers take flight, in the bird's respite.

COLLECT AT: Mungindi Van Park
